

Dear Outpost Camper,

Thanks very much for enrolling in this years Outpost program. We have some fun challenging and exciting activities planned for you this summer. Together we will experience new and wonderful places as we get out and see the beauty of God's creation. We also pray that God would be preparing you heart for what He would do in and through you this summer.

Please follow the guidelines for what you should and should not bring that were sent with the registration info. You are welcome to bring a backpack with an internal or external frame if you have one. If you do not have one a regular backpack will do just fine. Please make sure you bring good shoes for hiking, long pants, sunglasses and a hat, as we will be out away from camp most days.

If you have any questions or concerns, please contact me by phone at (559) 683-4450 ext. 221 or by email at joel@calvincrest.com

Sincerely, 

Joel Gist
Expeditions Program Coordinator
