

...goes to HIGH SCHOOL CAMP

OK, so you know that we're going to camp and you know that we're going to have an amazing time. You are also probably aware that when "the Answer" goes somewhere, we like to *represent*. Last summer in New Orleans we had a bunch of matching t-shirts. This year at Calvin Crest we have the opportunity to make the most of the "THEME NIGHTS." That's right, we've got a chance to get dressed up and show off our impeccable style. So grab a friend and hit the thrift store (or your parent's closet). Here's what we're looking for:

Nineties Nintendo Night!

This is the night that we pay tribute to the grand-daddy of video games! Come dressed up as your favorite video game character or object cuz we're kicking it back to the nineties, Nintendo style!

Board Game Palooza!

Who doesn't love board games? Come tonight dressed as your favorite board game character or game piece! It's as easy as Parchissi!

Peace, Love, and Denim!

[den-uh m]-noun: a heavy, Z-twist, twill cotton for jeans, overalls, and furniture, etc. Nothing goes better with denim, like denim. So, bust out your mom jeans, jean jackets, trousers, cushion covers, and whatever else, and saturate yourself with denim.

Parable Night

In the book of Matthew in the Bible, Jesus used parables to teach people. Dress up (with yourself or others) as one of Jesus's parables from the book of Matthew.
